## IA19 Sponsoring and exhibition packages

Inhalation Asia 2019  
13-15 November 2019  
Hong Kong  
[www.inhalationasia.org](http://www.inhalationasia.org)

Exhibitor	40,000 HKD	1 delegates
Sliver sponsor	60,000 HKD	2 delegates
Gold sponsor	80,000 HKD	4 delegates

Further options can be tailored and discussed with the exhibitors and sponsors.

The standard exhibitor space is equivalent to a table top. Use of backdrops, banners etc to place behind the table is allowed. Exhibitors are free to use the space on the table and around it as they wish, as long as it does not limit the visibility and use of their neighbors: fair use policy. Longer front space is available, please contact [info@inhalationasia.org](mailto:info@inhalationasia.org) to discuss options. Exhibitors can choose their preferred table spot according to their priority order: exhibition spaces will be attributed on a first come first serve basis. Gold sponsors take priority over silver sponsors and in turn they take priority over exhibitors. The floor plan of the exhibition space will be communicated as soon as available. The order of priority is based on the date the commitment to sponsor or exhibit is made and as long as payment of the dues is made in full.

See next page for a full list of the benefits of the different packages.

The benefits listed are not contractual and may be subjected to change closer to the event. The organisers will try their best to honor their promises, however they reserve the right for operational reasons to modify these benefits. In such event, exhibitors and sponsors will be informed of changes as soon as possible.

2 books are usually distributed:

- a program book (small book)
- an abstract book with the program and abstracts (big book)

Only the program book is given to all delegates. Delegates are invited to download the abstract book for free online.

To reserve an exhibitor space and becoming a sponsor, contact Inhalation Asia by email [info@inhalationasia.org](mailto:info@inhalationasia.org) or via the contact form on its website [www.inhalationasia.org](http://www.inhalationasia.org).
